

CLASSIFIED EMPLOYEE OF THE YEAR 2016-2017

Mr. Armando Carbajal

Armando Carbajal is a WHS Graduate, Class of 1997, who returned to campus as an IA in 2013. In four years on campus, he is constantly on the move supporting students and circulating in the classroom to keep students on task. He demonstrates a unique kindness and a genuine concern that draws the toughest student in. He serves as a SAAP mentor and never misses a mentor luncheon, always willing to fill in for another mentor. Armando checks in with students during lunch, waving at them or sharing a friendly smile and a quick hello. He is a proud supporter of the 8 CONDITIONS OF STUDENT SUCCESS; in fact, students share that he is always creating a sense of belonging.

We are proud that he has joined the district's Grow Your Own Program to become a classroom teacher.

Congratulations to WHS Classified Employee of the Year, Mr. C!
