What does the evidence show about today's marijuana (cannabis)? What should you know about the potency of today's "weed" and its effect on the developing adolescent brain? Can marijuana be addictive? Don't miss this critical presentation on "clearing the smokescreen" around marijuana.

Parents, faculty/staff, and community members welcome! Spanish interpretation will be available. Free admission.

Share this event on [Facebook](#) and [Twitter](#).

Hope to see you there!

Charlene Margot, Director
