## Frequently Asked Questions

### What is a scholarship fund?

Scholarship funds are charitable accounts established at SVCF by generous individuals, corporations or organizations for the purpose of assisting students in paying for their education. Some funds are specific to residents of a city or county, while others are directed to students interested in a specific field of study. Scholarships do not need to be repaid.

### What is the difference between SVCF Managed Scholarship Funds and Donor Involved Scholarship Funds? How do I apply?

SVCF staff administers the application, selection and award process of SVCF Managed Scholarship Funds. Applications are accepted online through SVCF's website. Visit [siliconvalleycf.org/scholarships/community-foundation-managed](https://siliconvalleycf.org/scholarships/community-foundation-managed) for complete details.

While SVCF provides oversight and administers the payment process for Donor Involved Scholarship Funds, the application and selection processes are managed by an external selection committee appointed by SVCF. For an application, or additional information, contact the appropriate organization or individual listed in the scholarship descriptions in this brochure or online at [siliconvalleycf.org/scholarships/donor-involved](https://siliconvalleycf.org/scholarships/donor-involved).

### How are eligibility requirements determined?

Scholarships are available through SVCF, thanks to the generosity of donors who have established scholarship funds with us. Each donor determines the eligibility criteria for their scholarship. Although all scholarships consider financial need, some scholarships also focus on academic achievement, academic potential and/or community service. **Please read the specific requirements for each scholarship (listed in this brochure and online) to determine if you are eligible.**

## **Are only graduating high school seniors eligible?**

No. While many of our scholarships are for graduating high school seniors, others are open to students already enrolled in college or adults who want to go back to school.

## **What if I am not a “straight A” student?**

SVCF offers scholarships for a variety of students, including part-time students and students who are likely not to receive other scholarships because of their grades. Read all scholarship descriptions carefully to determine which eligibility criteria you meet and which program(s) you can apply for.

## **How do I know if I am eligible to apply?**

Eligibility criteria are listed under each scholarship program in this brochure and in the scholarship descriptions at [siliconvalleycf.org/scholarships](http://siliconvalleycf.org/scholarships), along with the complete application instructions. Thoroughly read each scholarship program’s eligibility requirements to identify the scholarships for which you may be eligible.

## **What if I’m attending a community college or vocational school?**

Our donors understand that not all students take the traditional path in their pursuit of higher education, and some programs, such as Curry Award for Girls and Young Women, The Harold Johnson Law Enforcement Scholarship, The Marie A. Calderilla Scholarship and The Ruppert Educational Grant Program provides scholarship support to students who attend community college. The Ruppert Educational Grant Program and The Peninsula Regent Charitable Foundation Education Grant Program provide support for students who attend vocational schools. Again, thoroughly review the program descriptions to identify all the scholarships for which you may be eligible.

## **May I apply for and receive more than one scholarship?**

Yes (unless otherwise noted in the scholarship descriptions in this brochure), provided you meet the eligibility criteria for each scholarship for which you apply.

## **If I win a scholarship, how and when is the money disbursed?**

SVCF’s policies require scholarship checks to be sent directly to the educational institution in which you will enroll. Checks are issued to your school once we receive your Scholarship Acceptance and Agreement Form and proof of enrollment. Checks are generally issued beginning in July of the awarding year.
