Woodside High School

Sequoia Union High School District

2016 - 2017 School Profile

School and Community

Woodside High School is a fully accredited four-year comprehensive secondary school that has been serving the communities of the mid-peninsula since its opening in 1958. The 34-acre campus lies just east of the Santa Cruz Mountains and is one of four comprehensive campuses in the Sequoia Union High School District. The District's total student population is approximately 8,000.

Woodside has approximately 1,800 students (420 seniors) who come from the surrounding communities of Redwood City, Woodside, Portola Valley, and East Palo Alto. Our school community reflects the cultural and socio-economic makeup of California. The mid-peninsula is an area of great economic diversity containing some of the most affluent and the most economically deprived communities in the state. Just north of Silicon Valley and Stanford University, Woodside High School is influenced greatly by the rapidly evolving business and cultural interests of the region. Students follow a rotating block schedule with classes meeting 39 weeks a year and are 95 minutes in length. Most students are enrolled in six classes. The student to teacher ratio is 26:1. Of the certificated staff of 114, forty-five percent have Master's degrees. Woodside teachers mentor student teachers from Stanford University. The Woodside High School challenge is to provide opportunity that matches privilege. Over the past half-century, Woodside High School has emerged as one of the most dynamic and diverse comprehensive high schools on the San Francisco peninsula. We have been listed in *Newsweek Magazine's* list of top high schools, and offer one of the most rigorous advanced placement college preparatory programs in the region.

Curriculum

With more than 90 percent of students going on to college following graduation, Woodside offers a full range of Advanced Placement and advanced standing classes that meet admissions requirements for all top schools. Along with its strong "a-g" college-preparatory focus, Woodside welcomes and supports all students in fulfilling their maximum potential, and particularly those students whose needs are greatest. Specialized support ranges from one-on-one, small group and skill-building classes for students below grade level to academic planning, coursework and support for English Learners and students with special education needs. Access to the core college preparatory curriculum is provided to all students at Woodside High School. Opportunities are available for students to take courses at local community colleges for enrichment and vocational exploration.

Electives

Woodside offers a broad range of electives. Students have the opportunity to take courses in Art, Music (instrumental and vocal), Ceramics, Computer Science, Engineering, Drama, Fine Art, Film Critique, Video Production, Digital Photography, Audio Production, Foods, Journalism, Yearbook, Psychology, and Student Leadership.

Guidance Department

Woodside High School's Guidance Program provides academic planning, personal counseling, and college and career advising for students.

Student Leadership

Our student activities program offers opportunities for students to develop their leadership skills and/or unique interests through one-on-one, small group, classroom and evening presentations.
