

Woodside High School

Athlete of the Week

Anjali Ulrich

October 23, 2023

Anjali is a senior on the girls varsity golf team. She has golfed at WHS since her freshman year and loves how golf is an individual sport balanced with a team score. She enjoys playing different golf courses throughout the season as well as being outside and competing.

In the future, Anjali wants to earn a Master's degree in Psychology and become a Therapist. She achieved her season goal of hitting a hole-in-one during the last match of the season. She manages golf and academics by staying organized with her planner.

Of the "8 Conditions," as it relates to golf, Anjali resonates most with **Sense of Accomplishment** and **Fun & Excitement**.
