

# Woodside High School

## Athlete of the Week

Mariam Yusuf

December 4, 2023

Mariam is a Junior striker on the WHS Girls Varsity Soccer team. She loves playing with her WHS teammates and has had fun playing soccer every high school season. She is looking forward to a great season this winter.

In the future, Mariam hopes to keep playing soccer for as long as possible. Mariam balances school and soccer by prioritizing her homework around practices and games, and communicating with her teachers about her work and assignments.

Of the "8 Conditions," as it relates to soccer, Mariam resonates most with **Fun & Excitement** because soccer is fun, and **Spirit of Adventure** because there is always a new journey in every practice and game.
