

WOODSIDE HIGH SCHOOL

Wildcats,

Here are my and your teachers' expectations for tutorial period:

- Tutorial is not free time; it's serious homework time right after lunch, and we expect you to be on time. I expect you to be a serious student during tutorial. That means
one student, one desk, and your school work is out and visible.
- Follow your teacher's direction on electronics.
- I expect you to plan ahead and use the tutorial pass system so you can get help, make up a test, make up a PE run. With a pass, you can visit a teacher you have earlier in the day; you don't have to stay in 6th or 7th block.
- Chimes will sound with five minutes left in the tutorial and a bell at the end of tutorial so that you can return to your afternoon block on time and so that teachers can begin instruction on time.
- The 'D' Wing bathroom only will be open and monitored 10 minutes into tutorial period.
- Occasionally, we will use tutorial period for a sportsmanship assembly, an evacuation drill, a counselor presentation, a focus group, or to take a survey. Those will be called no-pass tutorials and you'll be notified in advance.
- What do we want to gain with the tutorial bell schedule?
 - greater homework completion
 - increased student achievement
 - decreased stress.

Together, let's make the tutorial bell schedule work for your academic success. Go WILDCATS!
