

Congratulations to members of the class of 2020 who will be receiving sunflower certificates in the U.S. mail if they scored “meeting or exceeding California state standards” in language arts (257 students) and/or math (157 students) on the state tests they took last spring as juniors. The results help WHS staff know what we need to keep doing and what we need to improve in our academic instruction. We are proud of you and your sense of accomplishment!
