Carlos is a junior. His favorite class is Engineering and his favorite extracurricular activity is playing sports. His favorite food is tacos. In the future, Carlos wants to go to a university and major in engineering. Mr. Wheeler is a WHS teacher who inspires his academic success because Carlos says, “He pushes us to become better people and make our designs better.” Of the “8 Conditions,” Carlos’ favorite is Sense of Accomplishment because he says, “I feel like I can accomplish most stuff here at Woodside. Even with COVID, I’ve been getting good grades.” Mr. Ho says, “Carlos is laser focused and always willing to ask questions, take risks, and express his ideas on any type of assignment!”
