Matt is a junior. His favorite classes are Algebra II/Trig. His favorite extracurricular activity is cross country and his favorite food is steak. In the future, Matt wants to major in mechanical engineering. Ms. Lang is a WHS teacher who inspires his academic success because he says, “She is really inspiring.” Of the “8 Conditions,” Matt’s favorite is Curiosity & Creativity because he thinks that creativity is really important. Ms. Hanson says, “Matt has been attending tutorial several times a week to work on his Spanish skills. He has really been a leader and displayed Confidence to Take Action. I have been so impressed with his dedication to improve his Spanish. It is admirable.”
