Max is a junior. His favorite classes are Math and Physics. His favorite extracurricular activity is Math Club. His favorite food is pizza. In the future, Max wants to work on the rovers that are sent to other planets by NASA as a mechanical engineer. Of the “8 Conditions,” Max’s favorite is **Curiosity & Creativity** because he says, “I like to learn and experiment and make new things.” Mr. Gonzalez says, “Max is helpful to all and willing to take charge.”
