Alondra Flores

Alondra is a freshman. She enjoys all of her WHS classes and her favorite extracurricular activity is playing volleyball. Alondra says that all of her WHS teachers inspire her academic success. Of the “8 Conditions,” Alondra resonates most with **Confidence to Take Action**. Mr. Sahagun says, “After the first day of instruction, Alondra stayed after class to ask some questions regarding the material. She told me that she knows that success requires that extra effort. I was impressed by this maturity and she has continued with that focus every class. Alondra's drive is an example for her peers.”
