

STUDENT *of the* WEEK

November 7, 2022

Julian Galindo

Julian is a freshman. His favorite class is Engineering and his favorite hobby is playing video games. Julian's favorite food is barbeque ribs and in the future, he wants to become a boxer. Mr. Hopkins is a WHS teacher who inspires his academic success because Julian says, "He makes class fun!" Of the "8 Conditions," Julian resonates most with **Belonging**, **Sense of Accomplishment**, and **Confidence to Take Action**. Ms. Healey and Mr. Alfieri say, "We always 'catch' Julian smiling at others, helping them understand a concept, and being a leader in group work. He is a quiet leader in Biology class. He has confidence without arrogance, and a genuine kindness about him that is really appreciated in the class!"

Woodside High School
"Opportunity, Community, Excellence"
