

STUDENT *of the* WEEK

March 6, 2023

Asher Roldan Monzon

Asher is a freshman. His favorite classes are Algebra and P.E Dance. His favorite food is spaghetti and in the future, he wants to be a teacher. Asher says about all his WHS teachers, “They are caring and always helpful no matter the circumstances.” Of the “8 Conditions,” Asher resonates most with **Curiosity & Creativity** and **Confidence to Take Action**. Mr. Mooring says, “Asher worked very hard to transfer from ELD into mainstream English as a freshman. He has used his creativity, wit, curiosity, and analytical skills to succeed in both ELD 3 and English. He had the confidence to challenge himself in a new environment, and has used his humor to fit in to our class community. I am proud of the work he has put in and I look forward to seeing him succeed this semester.”
