Study Week is the week before final exams each semester. The intent of "Study Week" is to allow students and staff quality time without interruptions to focus on activities that promote review/study necessary for adequate student preparation for finals.

The following things are **prohibited** during Study Week: Field trips; Shadowing; After school/lunch activities – such as clubs, dances, BOSA, and special events; Giving final examinations to students early; Passes sent to classes to pull out students from class for any reason; New student assignments that have nothing to do with **final assessment**.

The following kinds of activities are **encouraged**: Homework; Activities that encourage preparation for finals including review tests or projects that are used as the semester final assessment; After school tutoring or review sessions.
