

STUDENT *of the* WEEK

January 17, 2023

Ethan Martinez

Ethan is a freshman. His favorite class is Physical Education and his favorite extracurricular activities are playing video games and spending quality time with his family. His favorite food is hawaiian pizza and a highlight of Ethan's high school experience so far is meeting new people. Ethan says, "I've met so many new people, and I've really enjoyed it because it is so much fun!" Of the "8 Conditions," Ethan resonates most with **Leadership & Responsibility**. Mr. Sahagun says, "Ethan not only has been responsible for his own understanding this school year, but he has also been incredibly helpful to his classmates, offering support with kindness and levity. He has been a leader amongst his peers, and should be proud of his work."

Woodside High School
"Opportunity, Community, Excellence"
