Hollin White

Hollin is a freshman. His favorite class is physical education and his favorite way to spend his time is hanging out with friends. His favorite food is tacos and in the future, he wants to go to college. Mr. Filerman is a WHS teacher who encourages his academic success because Hollin says, “He is a fun teacher, and makes learning something special.” Of the “8 Conditions,” Hollin resonates most with **Belonging** and **Leadership & Responsibility**. Mr. Filerman says, “Hollin always comes to class prepared to do his best while also ensuring the rest of his group reach their academic potential. He is a perfect example of what it means to be a Woodside Wildcat.”
