

# STUDENT *of the* WEEK

April 24, 2023

*Jonathan Leon*

Jonathan is a freshman. His favorite class is Ethnic Studies and his favorite interest outside of school is playing video games and sports. His favorite food is Mexican food, and in the future, he would like to attend college. Mr. Cervantes is a WHS teacher who inspires his academic success because Jonathan says, “He is a good teacher, he makes the class fun, and I think his grading system is great.” Of the “8 Conditions,” Jonathan resonates most with **Leadership & Responsibility**, and **Confidence to Take Action**. Ms. Hanson says, “Jonathan is an excellent example of a student who demonstrates **Leadership and Responsibility** in AVID class. He models excellent study skills, organization and time management. He takes the lead during AVID tutorial and collaborates with his classmates in order to make the experience beneficial for the entire group. He also demonstrates **Confidence to Take Action** through his weekly goal setting and execution of his action plan. Jonathan truly models the Woodside Way!”
