Katie Hernandez Lombera

Katie is a freshman. Her favorite class is Algebra because she enjoys the process of tackling new math problems. Her favorite extracurricular activity is drawing and painting and her favorite food is pasta. In the future, Katie wants to go to college and become a doctor. Ms. Jimenez is a WHS teacher who inspires her academic success because Katie says, “She takes time to help me with my assignments.” Of the “8 Conditions,” Katie resonates most with **Confidence to Take Action**. Ms. Jimenez says, “Katie demonstrates **Confidence to Take Action** as she has rapidly developed self advocacy skills. She raises her hand and is clear about what she needs to work on which shows she is taking ownership of her learning as a new high schooler.”
