*Ashley Morales Chacon*

Ashley Morales Chacon is a senior. Her favorite classes are English, Math, and Physical Education. Her favorite hobbies outside of school are playing games and her favorite food is pupusas. In the future, she wants to be a child care provider because she enjoys spending time around children. Ms. Parry and Mr. Llantero are WHS teachers who inspire her academic success because Ashley says, “They help me out and push me to do my best.” Of the “8 Conditions,” Ashley resonates most with **Confidence to Take Action**. Ms. Parry and Mr. Llantero say, “Ashley is a great student and shows kindness to all her classmates. In ILS she is another pair of hands that helps make the class full of joy. From helping other students with their work to helping them feel like they belong and she does all of this with a beautiful smile.”
