## Athlete of the Week

Annabelle Bechtel

September 25 2023

Annabelle is a senior on the WHS Girls Varsity Tennis team. Annabelle has been playing tennis since her freshman year and enjoys playing with her WHS teammates. She says, "Tennis is so much fun and playing with my teammates brings me the most joy."

For this season, Annabelle hopes to be successful in all her matches. Annabelle balances tennis and academics by staying organized with her homework and always checking to see when her work is due.

Of the "8 Conditions," Annabelle resonates most with **Leadership & Responsibility** because as the captain, she has had to step outside of her comfort zone by filling in for singles matches when needed.
