

# Woodside High School

## Athlete of the Week

Haley Cardinale

November 6, 2023

Haley is a junior, middle blocker on the WHS Varsity Volleyball team. She decided to play because she loves volleyball and playing with her WHS teammates. In the future, Haley wants to play college volleyball.

This season, Haley hopes to do well in the CCS tournament. She balances school and volleyball by doing her homework on the bus when traveling to games and always communicating with her teachers when she misses class.

Of the "8 Conditions," as it relates to volleyball, Haley resonates most with **Belonging** because she says WHS volleyball has been a great experience and the team bond and community has been great this season.
