Student of the Week

Lex Rebollar

November 6, 2023

Lex is a freshman. He doesn't have a favorite specific WHS class as he enjoys them all. His favorite hobby inside and outside of school is playing football and he likes all types of music.

In the future, he wants to go to college. Though he doesn't have a specific one, Lex says all of his WHS teachers inspire him and his academic success.

Of the "8 Conditions," Lex resonates most with **Belonging** because he says, "Everyone should feel like they belong." Ms. Book says, "Lex leads by example. He is a hardworking, motivated, and a kind student whose effort does not go unnoticed!"
