

Woodside High School

Student of the Week

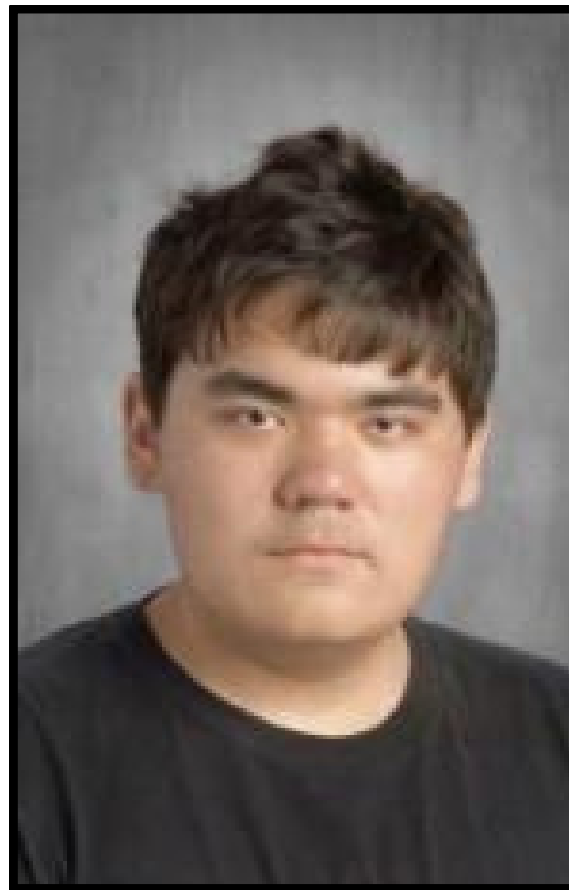

Bryant Newell

December 11, 2023

Bryant is a Junior. His favorite hobby both in and out of school is playing his instrument, Alto Sax. His favorite musical group is the Woodside High School Marching Band.

In the future, Bryant wants to continue with music or transition into Computer Science. Mr. Gaydos is a WHS teacher who inspires his academic success because Bryant says, "He really helps me learn music."

Of the "8 Conditions," Bryant resonates most with **Fun & Excitement**. Mr. Sahagun says, "Bryant challenged himself on tasks beyond what is required in the course. Specifically, Bryant built upon his trigonometry skills to solve more complex force problems ... simply to improve upon his abilities."
