## Student of the Week

Jayden Dominguez Pacheco

December 4, 2023

Jayden is a Freshman. His favorite class is PE because he says it is fun. His favorite hobby outside of school is playing basketball and his favorite musical artist is Rod Wave.

In the future, Jayden wants to play sports professionally or just get rich. Because Jayden is a freshman, he doesn't have one specific favorite teacher as he likes all his WHS teachers.

Of the "8 Conditions," Jayden resonates most with **Fun & Excitement**. Ms. Book says, "Jayden is a true critical thinker who leads by example. His participation is fantastic, and he excels at sharing his ideas during discussions."
