

Woodside High School

Student of the Week

Sebastian Mercado Estrada

March 18, 2024

Sebastian is a junior. His favorite class is Digital Photo because you learn how to use cameras. His favorite school hobby is playing football and his favorite musical artist is Drake.

In the future, Sebastian wants to be a clothing designer because it's always been something that has interested him. Mr. Manzo is a WHS teacher who inspires his academic success because Sebastian says, "He is always persuading people to do better."

Of the "8 Conditions," Sebastian resonates most with **Sense of Belonging** because he has friends who accept him. Mr. Negri says, "Sebastian has always been a kind, personable student happy to be at Woodside. He has had his best semester in high school yet and is on pace to surpass that this semester."

Woodside High School
"Opportunity, Community, Excellence"
