

Woodside High School

Student of the Week

Alisson Herrera Sanchez

May 6, 2024

Alisson is a freshman. She likes all of her classes right now. Her favorite hobby outside of school is working out and in the future, Allison wants to join the army.

All of her teachers inspire her academic success because Alisson says, "They push me to do well." Of the "8 Conditions", Allison resonates most with **Confidence to Take Action** because it's important to be confident.

Mr. Mooring says, "Alisson had the courage to take a risk by leaving ELD and moving into mainstream English. She has still managed to succeed in the class, despite reading Othello, learning a new language, and being in a new environment. Alisson inspires others by succeeding in her class."
