

Woodside High School

Athlete of the Week

February 10, 2020

Angeni Garcia

The Athlete of the Week is Angeni Garcia. Angeni is a freshman striker and defender on the WHS girls varsity soccer team. She is an experienced player with seven years of competitive soccer experience, but is always looking to improve. She balances her academics and athletics by staying organized and using her WHS planner. Given the opportunity, Angeni would want to play and compete against Alex Morgan. Her inspiration comes from her club soccer coach. Angeni loves and is passionate about soccer, as it is the only sport that she plays. After high school, she plans on pursuing a medical degree. In order to overcome adversity during games, she tries to stay focused and relay on her teammates. Of the “8 Conditions,” Angeni resonates most with **Confidence to Take Action** because in order to succeed as a player and a team, she believes you must have the confidence to keep competing, even if the team is down.
