

Woodside High School

Athlete of the Week

October 7, 2019

Elena Campell

The Athlete of the Week is Elena Campell. Elena is a senior outside hitter on the girls varsity volleyball team. She has been playing competitive volleyball for the last six years. She balances academics and athletics by practicing good time management and always planning a week ahead. Her teammates make her a better player because they help her realize what she needs to improve on. Elena has been a student athlete for four years of high school and plans on going to college once she graduates from Woodside. As a student athlete, much of Elena's time is dedicated to her sport and academics but she realizes it will pay off in the future. Of the "8 Conditions," Elena resonates most with **Leadership and Responsibility** because as a player and team leader, she sometimes has to take responsibility for her mistakes.
