

Woodside High School

Athlete of the Week

January 6, 2020

Johnny Fuentes Lopez

The Athlete of the Week is Johnny Fuentes. Johnny is a freshman striker on the WHS JV soccer team. Johnny has been playing competitive soccer since he was six years old and considers himself an experienced player. If he were provided the opportunity, he would compete against Lionel Messi. The WHS JV soccer team inspires him to be a better player by reminding him to stay determined, humbled, and respectful both on and off the field. Johnny believes an important part of soccer is being able to stay confident and compete because soccer can be very physical and demanding sport. Johnny's advice is that "all athletes should be taught sportsmanship from a young age on." He is looking forward to the rest of the soccer season and hopes his team achieves as much as they possibly can. Of the "8 Conditions," Johnny resonates most with **Fun and Excitement** because soccer is always fun.
