

Woodside High School

Athlete of the Week

January 21, 2020

Natalya Hotovec

The Athlete of the Week is Natalya Hotovec. Natalya is a point guard and shooting guard on the girls varsity basketball team. She has been playing on the WHS varsity team since her freshman year and has been playing basketball since she was six years old. She utilizes the time given to her in class to ensure that she stays above a 2.0 GPA so she can continue playing basketball. If given the opportunity, she would play and compete against Steph Curry. Natalya's inspiration comes from her dad because he loves basketball just as much as she does. She plays basketball because she considers it to be the best sport and is the most fun to play. Her advice to other student athletes is "use your time wisely and make sure you are working hard at practice so the coaches and other players know you are taking the sport seriously." Of the "8 Conditions," Natalya resonates most with **Fun and Excitement** because she is always having fun with her teammates on the basketball court.
