

Welcome to APUSH
Students!

Your summer reading assignment for APUSH is as follows: 1) Obtain your copy of the textbook from the Woodside Library: America's History, 8th edition (author Henretta, [et.al](#)). The textbook is also available online (make sure to use the 8th edition). 1) Read the attached guide "Taking Notes" carefully before you begin work. 2) Take Cornell notes on the first two chapters of the text (**pgs 6-72**), using the attached worksheet (*required*). You should have 3-4 pages of notes per chapter. 3) Notes **MUST** be handwritten (typed work not accepted).

Notes are due on the first day of school, and there will be a quiz on the material within the first week.

We look forward to being back in school, and to meeting each of you on the first day!

Your APUSH teachers,
