

A group of approximately eight golden retriever puppies are sitting in a grey wicker basket. The basket is placed on a grassy area with yellow wildflowers in the background. The puppies are of various colors, including light cream and golden. One puppy in the back right is looking up and barking with its mouth open. Another puppy in the front center is also looking up with its mouth open. The other puppies are looking in various directions, some towards the camera and others away. The overall scene is bright and cheerful.

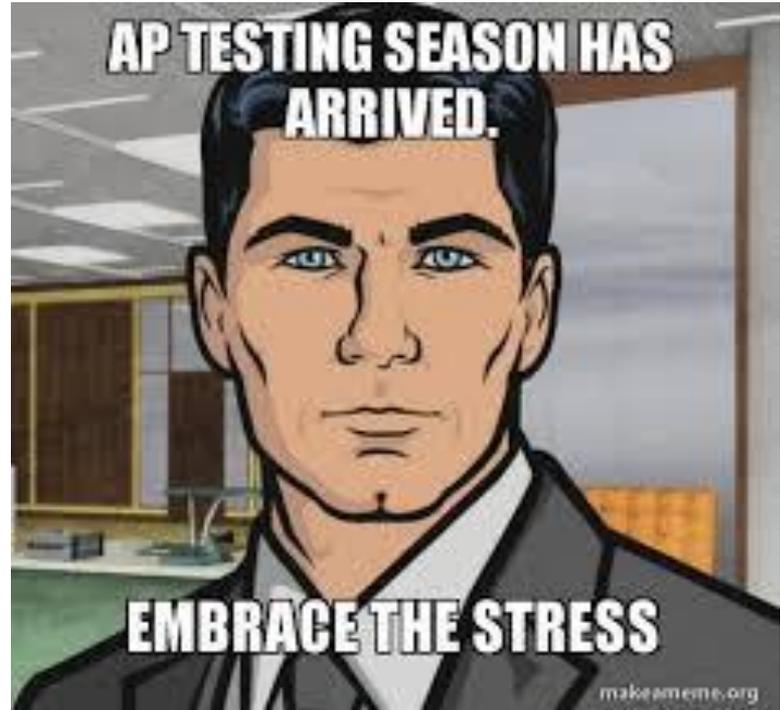

# Changes to AP

2019-2020

# Everyone Needs an Account at the College Board

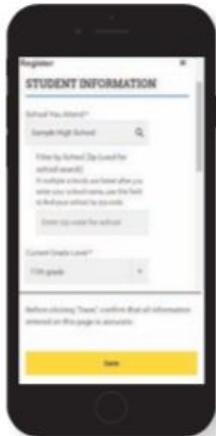

This is the same account that you use for PSAT, SAT, and previous AP scores.

If you haven't done it yet, start at  
[myap.collegeboard.org](https://myap.collegeboard.org)

# You only have to enter your information once

Your College Board account holds all your information, you don't have to bubble your address and all that stuff on your answer sheets any more!!!

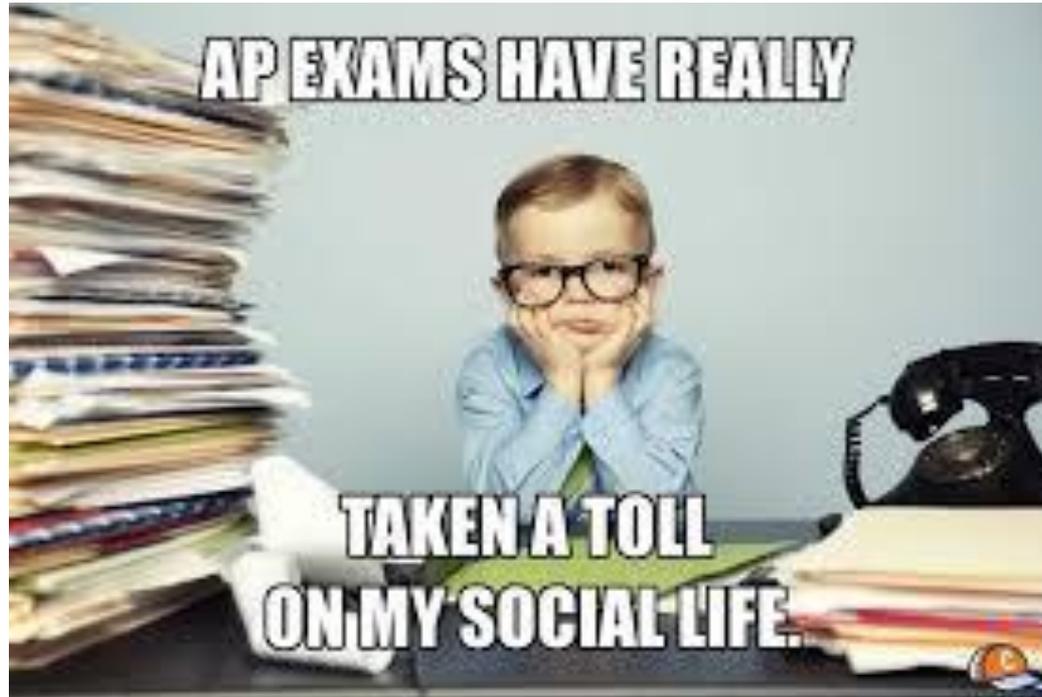

## 6 FILL OUT REGISTRATION INFORMATION

The first time you enroll in an AP course in My AP, you'll need to fill out some registration information. It's important to provide accurate information. You only have to do this once.

# No More Pre-Administration Sessions!

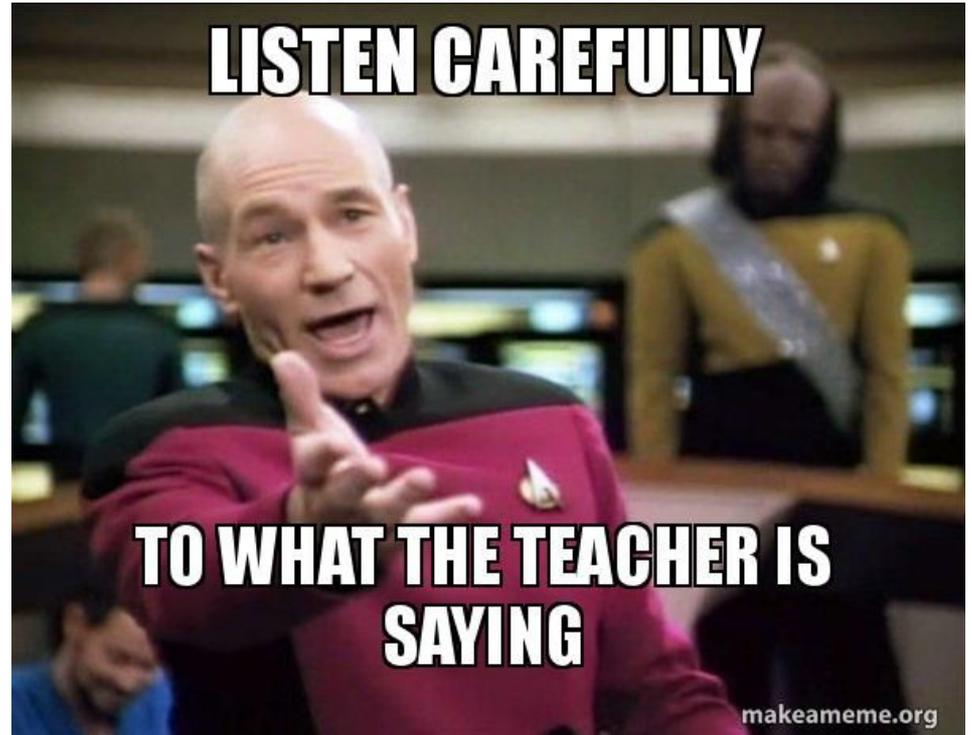

# Students Register Online for their AP classes

In every AP class you take, your teacher will give you a Join Code.

Registration is FREE.

You can't take an AP test unless you're registered in an AP Course.

You need to register even if you're not taking the test.

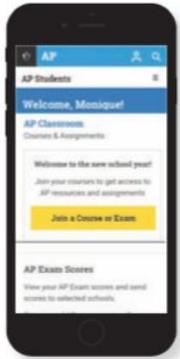

# Students who want to take AP tests for courses they're not in also need Join Codes!!

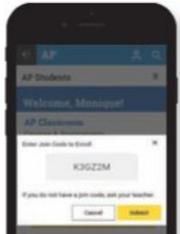

## 1 SIGN IN

Sign in to [myap.collegeboard.org](https://myap.collegeboard.org) using your College Board student account login. This is the same login you use to access your AP scores, PSAT/NMSQT® scores, or register for the SAT®. If you don't have a student account, click the [Sign up](#) link.

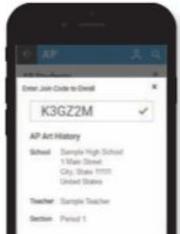

## 2 JOIN A COURSE

Click the **Join a Course or Exam** button. Before you do this, make sure you have the join code from your teacher. You'll need it to join a class section.

## 3 SUBMIT YOUR JOIN CODE

Enter the join code your teacher gave you and click **Submit**.

## 4 VERIFY COURSE INFORMATION

Make sure the information that comes up is for the course you're taking. If it is, click **Yes**.

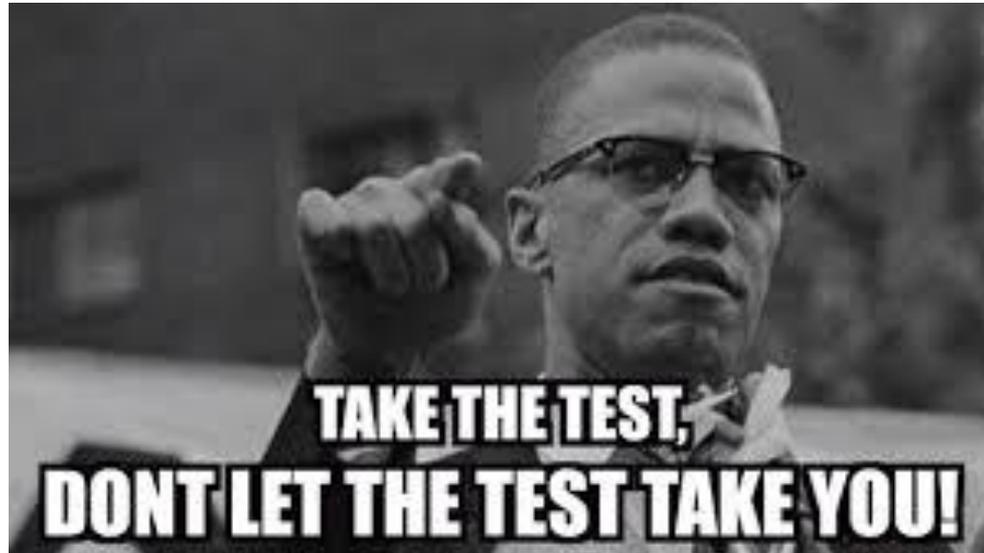

# If you're not in the AP class...

Get a Join Code from Lupe Flores-Robles  
in the Main Office.

# Opt Out of tests you aren't taking

Students are automatically signed up for the tests for the AP courses they're taking. We at Woodside want you to take the test. If you want to opt out, see Lupe Flores-Robles, she has a form for you.

You have to make a payment in October.

\$40 per test for regular fees (full price is \$105)

\$32 per test for reduced fees (this is full price)

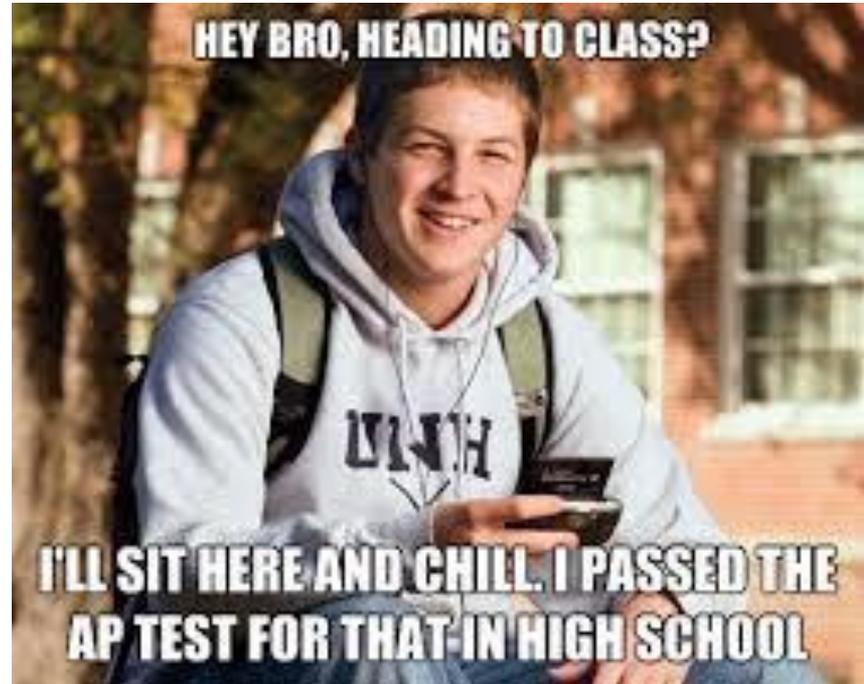

**Deadline: November 1**

# The reduced-fee price is adjusted automatically.

If you have qualified for the Free or Reduced Lunch Program, your AP exam fees will be adjusted automatically in the system.

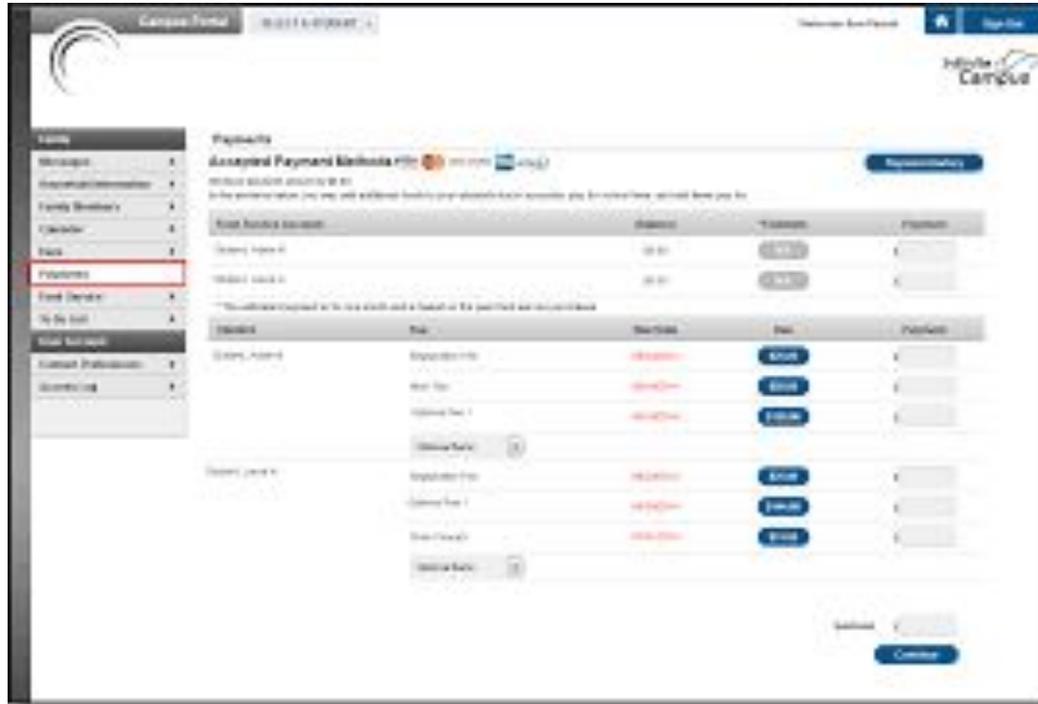

If you qualify later for the Free or Reduced Lunch Program, you can get the fees adjusted then.

You can pay in person or ask questions about payments in the Treasurer's Office

# You can pay online through Infinite Campus

The screenshot displays the Infinite Campus Payments interface. On the left is a navigation menu with options like Messages, Family Members, and Payments. The main content area is titled 'Payments' and shows 'Accepted Payment Methods' with logos for American Express, Discover, and Visa. Below this, there are two tables of bills. The first table, 'Your Account Balance', lists 'Current Term 1' and 'Current Term 2' with amounts of \$0.00 and a 'Pay' button. The second table, 'Billed', lists 'Current Term 1' and 'Current Term 2' with amounts of \$1,200.00 and \$1,200.00, each with a 'Pay' button. A 'Continue' button is located at the bottom right.

Item	Amount	Payment	Payment
Current Term 1	\$0.00	Pay	Pay
Current Term 2	\$0.00	Pay	Pay

Item	Due	Amount	Pay	Payment
Current Term 1	Expire 09/30	\$1,200.00	Pay	Pay
Current Term 2	Expire 10/31	\$1,200.00	Pay	Pay
Current Term 1	Expire 09/30	\$1,200.00	Pay	Pay
Current Term 2	Expire 10/31	\$1,200.00	Pay	Pay

You can pay the full amount in October if you prefer.

\$105 per exam

Don't let money be a reason not to take the test

If the money is a problem for you and/or your family,  
please see Lupe Flores-Robles

# LATE FEES

There are late fees for any changes made after the beginning of November.

This is WAY earlier than past years!

If you don't pay or arrange to pay by November 1, no test will be ordered for you.

If you still want to take the test, you'll have to pay the \$40 late fee!

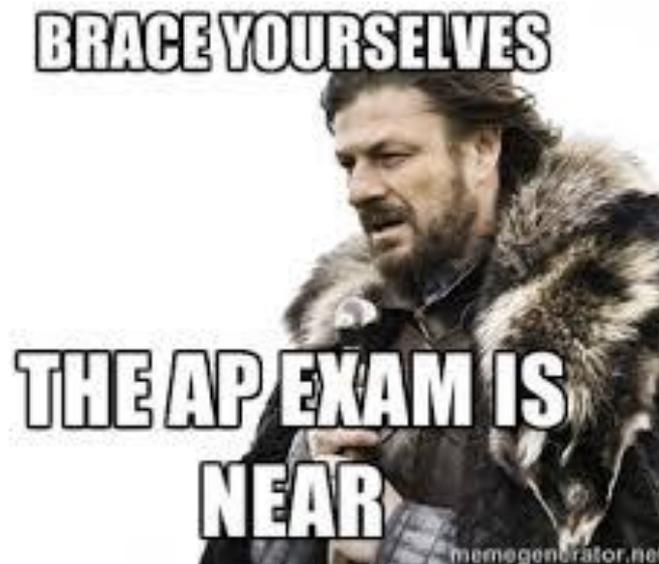

So that's \$145 for regular, \$72 for reduced fees.

The rest of the payment is due February 14.

\$65 per test for regular fees

(If you have reduced fees, there is  
no additional payment.)

# If you don't complete the payment...

Your test will be cancelled.

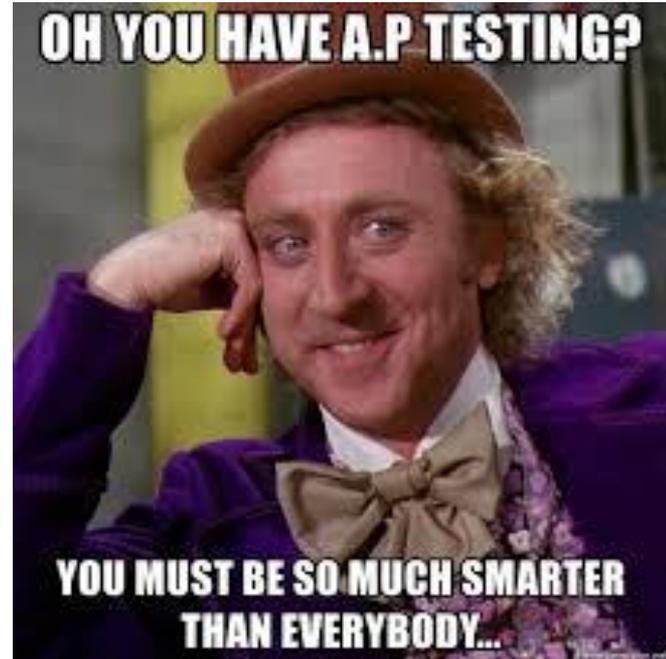

You don't get to take the test

You don't get your \$40 deposit back.

# You only have until February 14 to add additional tests

And remember, there's a \$40 Late Fee in addition to the regular test fees.

# You can no longer take another student's test

In the past, a student could take the place of an absent student, but this is no longer allowed. The tests are specific to the students who ordered them.

**BUT TESTING WILL BE EASIER!!**

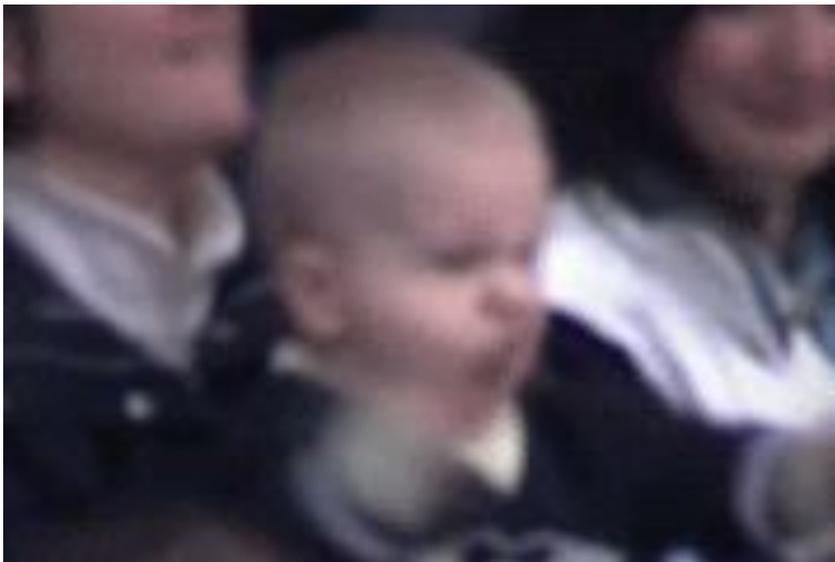

# No more Pre-Administration!

Remember when you used to have to come to the PAC to bubble everything in?

It's important that marks are dark and complete. Do not use a mechanical pencil, pencil, eraser or correction as possible. Incomplete marks or erasures may affect your score.

Mark the most correct answer. Mark only one response per question.  
If answer numbers in the multiple-choice booklet will not be correct:

40	53	66
41	54	67
42	55	68
43	56	69
44	57	70
45	58	71
46	59	72
47	60	73
48	61	74
49	62	75
50	63	76
51	64	77
52	65	78

Each question has only four answer options. Do not mark empty B.

100	114
101	115
102	116
103	117
104	118
105	119

110	124
111	125
112	126
113	127
114	128
115	129

Questions 131-142

For Students Taking AP Computer Science Principles, AP Physics 1, or AP Physics 2  
Mark two responses per question. The 2 correct marks only if both correct responses are selected.

131	132	133	134	135	136	137	138	139	140
132	133	134	135	136	137	138	139	140	141

# What to bring on Testing Day

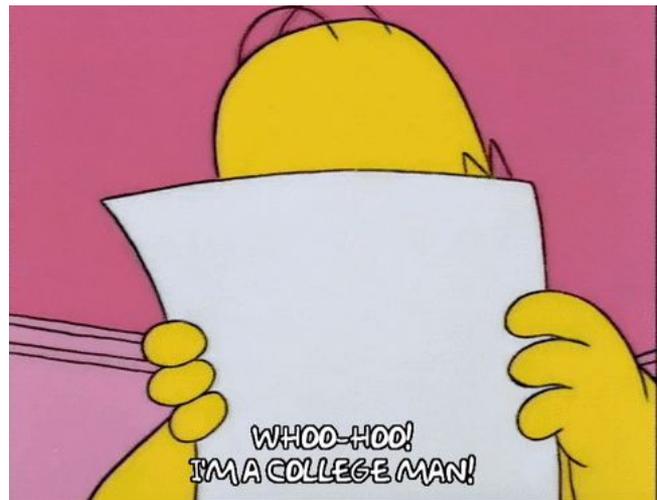

Your answer sheets and stickers will be there for you.

You bring: pencils, pens, water, extra layers of clothes, snacks, something to do if you finish early, and a calculator if your test allows one.

# Seniors: sending scores to your college

In May or June, you will go to [myap.collegeboard.org](https://myap.collegeboard.org) and send all of your scores to your college. It's easy and it's free. It won't affect your college admission, it will just allow you to skip classes and stuff when you get there.

# Score Reports

You will get your score **online** in the first week of July, just like last year.
