# Woodside Wildcats Letters and Badges

The W represents that you were a contributing member of a Woodside team. The large W is given for the first time you earn a letter as part of a Varsity team. The smaller W is given for the first time you participate on a JV or Frosh/Soph team.

An emblem is given for your sport.

The Chevron represents each subsequent year or season that you participate on a varsity team.

A Black Star is given to team captains.

A White Star is given to student-athletes that earn First-Team All-League honors.

For students who would like to pick up their Block W, please visit Mr. Faulkner in the Main Office during the week.
