

STUDENT *of the* WEEK

August 30, 2021

Alison Kim

Alison is a sophomore. Her favorite classes are Math and Chemistry. Her favorite extracurricular activity is playing volleyball. Her favorite food is macaroons and in the future, Alison wants to go to a four year college and continue playing volleyball. Ms. Stefani and Mr. C are WHS teachers who inspire her academic success because they always encourage her to push herself and have made her feel very welcomed at WHS. Of the “8 Conditions,” Alison’s favorite is **Leadership & Responsibility** because she likes to be a leader, is very organized, and enjoys planning behind the scenes. Mr. C says, “Alison demonstrated **Leadership & Responsibility**, **Heroes**, and most of all, **Confidence to Take Action**. I was blown away by her willingness to stick around all summer and help with the Compass program, talking with incoming freshmen, and helping with the lunch line. Her demonstration of responsibility to make sure that everything was covered if one was not available to be here was amazing. I just want to say, ‘thank you.’ Keep up the great work and Go WILDCATS!”

Woodside High School

“Opportunity, Community, Excellence”
