Girls Lacrosse Profiles

Noelia Arteaga

Noelia is a 2-year Varsity lacrosse player. She became a starting defender within only one month of playing the sport. She used her great athleticism to disrupt the other team's offense and cause an immense amount of turnovers. She intercepted a pass with only 3 seconds left on the clock in the 2019 championship game to seal a 9-8 victory for Woodside over Sequoia. Noelia is friendly, outgoing, and always made sure that practices were fun for all of her teammates.

Colby Peck

Colby is a 3-year Varsity Lacrosse player. She had some of the best natural anticipation and reaction abilities of any goalie in the league. She was able to make almost impossible saves, look easy. She ensured her teammates always stayed positive when the games were the toughest. Colby was a tremendous leader and a selfless teammate that always put the team before herself.

Chloe Postlewaite

Chloe is a 3-year varsity lacrosse player. She is a very smart attacker and always knew the right place to be and could help her teammates run the offense when they needed help. She was great at defending the opponent's transition offense and excelled at ground balls. Chloe always provided comic relief during practice and was someone all her teammates loved to be around.

Vina Arias Garcia

Vina is a 4-year Varsity Lacrosse player. She has been one of the team's goalie since her Freshman year and was the winning goalie in both the 2018 and 2019 league championship games. She was an All-League Goalie in 2019 and a captain for the 2020 season. Vina led by example and could always be counted on to come up with her biggest saves when the game was on the line.

Caroline Daniher

Caroline is a 4-year Varsity Lacrosse player. She has been a starting midfielder since her Freshman year and team captain from 2018-2020. She was an All-League Midfielder and team MVP in 2018 and 2019. She was also an Academic All-American in 2019. Caroline led by example and was always the hardest working person on the field. For how talented she was as an individual, Caroline's greatest contribution was her ability to help all of her teammates be the best they could be.
